

TRIBUTE TO AMBASSADOR DICK  
CARLSON

**HON. HENRY BONILLA**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 1997*

Mr. BONILLA. Mr. Speaker, I rise today to pay tribute to Ambassador Dick Carlson, the former president of the Corporation for Public Broadcasting [CPB]. Ambassador Carlson's strong leadership and commitment guided the CPB during its most turbulent years.

Ambassador Carlson brought his broad experience as a journalist and former news anchor in Los Angeles and as a public servant under the Reagan and Bush administrations to the CPB. He served in the Reagan and Bush administrations as director of the Voice of America and was appointed as Ambassador to the Seychelle Islands by President Bush. The unique combination of diplomatic skills, knowledge of journalism, and broadcasting, and wideranging contacts proved to be a powerful attribute for successfully leading CPB for the last 5 years.

Ambassador Carlson leaves a legacy of commonsense reform at CPB at a time when Congress is moving to balance the budget. Under his leadership CPB moved in the direction of becoming a system of greater efficiency. He helped bring improved ideological balance to the CPB.

CPB should continue in the direction Ambassador Carlson has set out. Following in Ambassador Carlson's footsteps to bring modernization to the CPB as we encounter the 21st century will protect the future of public broadcasting. We salute him and thank him for a job well-done.

TRIBUTE TO IRMO ELEMENTARY  
SCHOOL

**HON. FLOYD SPENCE**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 1997*

Mr. SPENCE. Mr. Speaker, as the 1996-97 school year comes to a close, I would like to take this opportunity to bring to the attention of my colleagues the achievements of Irmo Elementary School, in Irmo, SC. This outstanding school was one of only two South Carolina elementary schools to receive the Carolina First Palmetto's Finest Award for 1996-97.

The students at Irmo Elementary School consistently score above the State average on standardized tests, and, each school year, since the 1988-89 school year, the school has received either the Education Incentive Award or an Honorable Mention from the South Carolina Department of Education. Irmo Elementary School is guided by its mission statement, which is: "The mission of our school, where excellence is tradition and learning has no boundaries, is to ensure that each child is motivated to achieve his or her full potential through diverse and challenging educational programs that demand superior achievement, provide a foundation for lifelong learning, and instill the desire to become a productive member of society."

Mr. Speaker, I would like to take this opportunity to commend the faculty, administration,

and students of Irmo Elementary School, as well as the parents of the students, a dedicated school board, and a strongly supportive community, on the environment of excellence that they have established. It is clear that the students at this fine school are being prepared to meet the challenges of the 21st century.

HONORING LAWRENCE WILLIAM  
WALSH

**HON. WILLIAM F. GOODLING**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 1997*

Mr. GOODLING. Mr. Speaker, I rise today to honor one of my constituents, Mr. Lawrence William Walsh, who will retire on July 3, 1997, after nearly 40 years of distinguished public service in the Federal Government.

Mr. Walsh began his career in 1958 with the Civil Aeronautics Administration and most recently served as manager of the Federal Aviation Administration's [FAA] Airports District Office in Harrisburg, where he directed the development of public airports in Pennsylvania and Delaware. He administered a total of 1,262 grants representing \$970 million in Federal funds for airports in Pennsylvania and Delaware.

Mr. Walsh has been recognized for his superior performance and has received many commendations during his tenure with the FAA. These awards include: the Airports Division Employee of the Year, Regional Administrators Human Relations Award, Aviation Council of Pennsylvania Achievement Award, and the Regional Administrator's STAR Award.

Mr. Speaker, I am pleased to have the opportunity to honor Mr. Walsh's long record of service and excellence. His dedication to his career and his country is most worthy of special recognition. On behalf of the residents of Pennsylvania's 19th Congressional District, I wish him the very best on his retirement.

TRIBUTE TO PAUL CRONIN

**HON. MARTIN T. MEEHAN**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 1997*

Mr. MEEHAN. Mr. Speaker, at just 12 years of age, Paul Cronin knew he wanted to serve the Commonwealth of Massachusetts. Through hard work and dedication, Paul was able to achieve his dream. He served his hometown, Andover, MA, first as a Selectman and then at age 24 as a State Representative, making him the youngest elected official in the State at the time. His career in public service culminated when he was elected to represent the Massachusetts Fifth District in the U.S. House of Representatives, the seat I now hold.

Paul Cronin passed away on April 5, 1997, at just 59 years old, after a lengthy battle with cancer. It was an especially sad day because just 4 months earlier another great man from the fifth district was taken from us, Paul Tsongas.

Like Tsongas, politics did not consume Cronin's life. Paul Cronin gave unselfishly of

himself to his community. He was particularly proud of his long association with the Lawrence Boys and Girls Club, which named its new girls' gym for his mother, Anna Marie Cronin, only after Paul declined the honor for himself.

His career and personal life were marked by optimism and achievement and he faced death as he faced life, with dignity, courage, and perseverance.

PORTER MAGNET SCHOOL DESIGNATED TITLE I DISTINGUISHED SCHOOL

**HON. JAMES T. WALSH**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 1997*

Mr. WALSH. Mr. Speaker, I want to bring to my colleagues' attention today the significant accomplishment of the Porter Magnet School of Technology and Career Exploration in Syracuse, NY. Porter was recently designated by the Federal Government as a distinguished school.

This elementary school is 1 of 100 schools nationally and five statewide to be commended for the high performance of the students and the innovation of instruction. Porter is the only school in the Syracuse area to receive the commendation.

Many of the programs at Porter are innovative. They involve parents in creative ways, such as communication through audio and visual tapes in instances where literacy at home is a question. The faculty, led by Principal Octavia Wilcox, has worked hard to produce a learning environment which challenges the students. Using tax dollars wisely in pursuit of high standards in education is a top priority.

Every student at Porter takes music, and any student can take piano lessons during school time. They have a pottery wheel in the art class. They have sophisticated computers and their own news team which videotaped a recent visit I made.

But more importantly than the hardware, Porter prides itself in a philosophy. Every child can learn. Parents must be involved. Excellence is worth pursuing.

Principal Wilcox says the faculty tries to compete with other forces, negative forces, for students' time. The curriculum stresses the future and the students are taught to think about what comes next—the next level of education and then careers.

I am very proud to congratulate the Syracuse School District in general for its support of programs like the one at Porter School.

IF NATO IS EXPANDED, OUR ALLIES MUST PAY MORE OF THE COSTS

**HON. BERNARD SANDERS**

OF VERMONT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 1997*

Mr. SANDERS. Mr. Speaker, I would like to make a few observations today about the European Security Act (H.R. 1758), which authorizes United States taxpayer dollars to prepare the Baltic States for NATO expansion.
